

Note: This was given to OHSAA in October 2008 to illustrate how the draw could be done to fairly rotate the 1st and 2nd seeds over six years. The #1 seeds from Central would not be required to be at the top of the draw. This was done to make it easier to follow the proposed changes. The draw for 2008-2009 was just added and it closely resembles 2007-2008. 2008-2009 would have typically been the year for Central's 1st seed to play Northeast's 1st seed in the semifinals.
